

HERE'S A HAPPY "TANLAC FAMILY"

Sisters Join Their Mother In Declaring Tanlac Meant New Start In Life For Them.

MRS. JOHN LOWE.

MISS FRANCES BURNETT.

MRS. S. C. BURNETT.

"Someone suggested the other day that we tack a sign on our house saying, 'This Is a Tanlac Family.' That's because my two daughters and I talk so much about Tanlac. We all wear the Tanlac Smile, too," Mrs. S. C. Burnett, 1408 Walnut street, said.

"But why shouldn't we talk about it when we feel that it has done us a world of good. Everyone of us has been helped by Tanlac and I'll tell you we can't say too much for it."

"First my older daughter, Mrs. John Lowe, tried it. She had lost 30 pounds and was so run down and nervous that even the rumbling of a wagon or the slamming of a door would upset her for hours. We feared we would have to send her to a hospital."

"I honestly believe that Tanlac saved her from complete breakdown. Nothing else seemed to help her. But Tanlac put her on her feet again right quick. Today she is one of the happiest women in Cincinnati."

"Then Frances became run down—sort of half-sick. She had dizzy spells. We were going to take her out of school because she kept complaining of spots and webs before her eyes. Her complexion got pasty and she didn't look a bit well. Tanlac however, proved to be just the thing she needed and now she is back in good health again."

Mother Was Half-Sick.

"As for myself, I felt almost the same as Mrs. Lowe. My stomach troubled me. My appetite was poor and I suffered after eating with bloating and belching of gas. But with the help of Tanlac I got rid of these troubles and now I feel simply splendid."

"But I started out at first to tell

you about Mrs. Lowe. She simply thought she was going to die. She felt so bad I believe she almost would have been glad to have it all ended. It was just pitiful to watch her. Her weight dropped from 140 to 110 pounds. She couldn't eat without being sick. We had just about given her up. Then we heard of Tanlac and she tried it. All of a sudden she seemed to take new interest in life. Within a week she began eating solid food, just like she did before she had trouble with her stomach. The food nourished her, too, and she began taking on weight. She slept sound and it seemed like no time before she was feeling well again."

Helps Youngest Girl.

"One day Frances was up to see her sister. She's the youngest, you know. She was feeling bad and Mrs. Lowe gave her some Tanlac. It made her feel better and she came home and said, 'Mama, I believe that new tonic that helped sister will do me some good. Please get me a bottle.' So I did and do you know that in a week she began to feel better. Now she eats all she wants, sleeps well and doesn't have those dizzy spells or spots before her eyes when she is studying."

"I was such a firm believer in Tanlac by the time it had built up the health of my two girls that I got some for myself. It certainly toned up my system. I used to have nervous spells but they are all gone now. I got back my appetite and now I sleep as well as I did before my stomach started to bother me."

"I tell you Tanlac has done a lot for our family and we can't say too much good about it."

WAR DEPARTMENT CALLS FOR RECRUITS

WASHINGTON, Feb. 19.—The War Department has called upon individual citizens, patriotic societies and organizations, many of which have offered their services since the break of relations with Germany, to help get recruits for the army.

It is the first step of the kind ever taken by the government in time of peace, army officers say, and is regarded as a forcible illustration of the need the army feels for more men.

A circular letter sent out is introduced with a statement that those who are interested in preparedness "can render no more effective service at present than by using their utmost influence to recruit the regular army to the strength authorized by law."

Particular emphasis is given in another section of the letter to the desirability of having individuals, societies or associations give immediate assistance in obtaining the men now needed.

The plans are specified by which the assistance can be rendered. The first is "by encouraging the qualified men to enlist at once," and the second suggests that information be given "to the nearest recruiting officer for the army as to the names and addresses of qualified men who are likely to enlist."

All the regiments need from 200 to 400 additional men.

The Navy Department also has asked assistance from civilians and organizations in recruiting work. Rear Admiral Palmer, in charge of recruiting work, said that the Navy League was conducting an active recruiting campaign and other similar bodies were being interested in the work. More than 1,400 recruits were enlisted by the navy last month and indications are that a new record will be made in February.

U. S. SAILORS LIBERATED.

BERLIN, Feb. 19.—America Government, who were brought prisoners to Germany, on board the British steamer Yarrowdale, have been liberated.

NOT NECESSARY NOW.

WASHINGTON, Feb. 19.—The United States government late Thursday had announced its intention to make a peremptory demand upon Germany to release forthwith the seventy-two American sailors held prisoners after their capture of the British steamer Yarrowdale. That it would countenance no effort to delay their liberation on whatever pretext, was made very clear.

THE BEST RECOMMENDATION.

The strongest recommendation any article may receive is a favorable word from the user. It is the recommendation of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." Obtainable everywhere.

BERNSTORFF ON WAY HOME.

WASHINGTON, Feb. 19.—Carrying safe conducts from Great Britain and France for himself and party, Count von Bernstorff, the retiring German Ambassador to the United States, has started on his way for Berlin. After touching at Halifax for an examination of her cargo by the British authorities, the steamer, Frederick VIII, on which the Ambassador is a passenger, will sail for Copenhagen, whence the party will make their way into Germany.

WONDERFUL STUFF! LIFT OUT YOUR CORNS.

Apply a Few Drops then Lift Corns or Callouses Off With Fingers. On Pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.

This drug is called Freezone and is a compound of ether discovered by a Cincinnati man.

Ask any drug store for a small bottle of Freezone, which will cost just a trifle, but is sufficient to rid one's feet of every corn or callous.

Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers.

This drug Freezone doesn't eat out corns or callouses, but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have Freezone have him order it for you. (adv)

CONSTIPATION MAKES YOU DULL.

That draggy, listless, oppressed feeling generally results from constipation. The intestines are clogged and the blood becomes poisoned. Relieve this condition at once with Dr. King's New Life Pills; this gentle, non-gripping laxative is quickly effective. A dose at bedtime will make you feel brighter in the morning. Get a bottle to-day at your Druggist, 25c.

Germany, it is said, wants to prevent war with the United States, but Germany knows how that can be done, having been informed in plain language by President Wilson more than once.

SOMETHING GOOD.

Those who hate nasty medicine should try Chamberlain's Tablets for constipation. They are pleasant to take and their effect is so agreeable and so natural that you will not realize that it has been produced by a medicine. Obtainable everywhere. (Feb-adv)
